

SUBMISSION GUIDELINES FOR PRINT ARTWORK

3mm bleed on all sides

Text must be 4mm away from the trim edges

Your artwork file must meet these specifications:

- Set to the correct size for print
- Supplied as a high-resolution PDF
- Includes 3mm bleed on all sides (images/colour that go to the edge of the artwork must extend into this bleed)
- Text must be 4mm away from the trim edges
- Fonts embedded or text converted to curves
- Images must be vectors or minimum 600dpi bitmaps
- Colours to be CMYK
- Book and booklet files should be supplied in single pages (not spreads)
- We recommend that you avoid using thin borders around the design
- If you have any questions about how you should submit your artwork, please get in touch with our friendly team!

Your final submission should not include guidelines or crop marks
